

American gun laws should be changed!

One Nation, Under Guns

There are 90 guns for every 100 Americans.

Each year in the U.S. there are nearly:

30,000
gun deaths

70,000
gun injuries

20 instances of
mass murder using guns

Support for a ban on handguns has decreased in recent years...

...even support for a ban on semiautomatic weapons has fallen.

Think about:

- What your point of view is
- How to write an introduction to clearly state what your opinion about the topic
- What your arguments are with reasons, evidence and examples to explain them
- How to be persuasive (using devices which are appropriate such as herd mentality and high modality words etc.)
- A rebuttal and writing a conclusion to provide a summary of your main arguments and opinion.

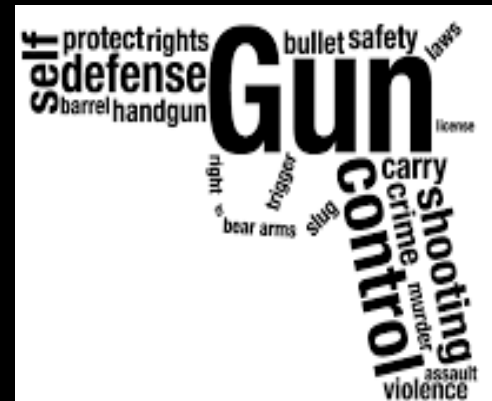

GUN CONTROL

A Solution to Violence?
Or
A Violation of our rights?

A DEBATE AND DISCUSSION

Remember to:

- Plan your writing before you begin (think about the tier 2 and 3 words you would like to incorporate)
- Make your writing engaging to read
- Write sentences which stay on the topic
- Check your spelling and punctuation
- Start a **NEW** paragraph for each idea/reason
- Re-read and edit your writing at the end
